Complete hive with 2 hive bodies (9 5/8")	150.00
Complete hive with 2 hive bodies (9 5/8"), 2 medium honey supers (6 5/8")	240.00
Complete hive with 3 medium supers (6 5/8")	200.00

Double Nucs – Stop Buying Bees

- ◆ **Raise two separate colonies side-by-side**
- ◆ **Make splits and raise queens in the summer**
- ◆ **Over-winter in the same boxes**
- ◆ **Avoid buying packages and be sustainable**

Double 4 frame nuc base. Use to raise queens, make splits & over-winter (frames and supers extra)..... 65.00

Divided Hive Body for Double Nuc

A partitioned deep hive body that is divided down the center creates a stable base when additional stories are added (not included. See below). Spaced to set four frames on both sides with entrances on opposing sides. Bottom board is attached. Includes a standard 10 frame telescoping cover and cloth inner cover. Frames and supers not included

Add 8 deep frames with foundation..... 24.00

Extra supers for nucs

Provide room to grow in summer and supers of honey for your over-wintered nucs. Use standard 9 1/8" frames.
4 frame 9 1/8" super assembled and painted (Frames and foundation not included)..... **20.00 each**

Save \$\$\$ with a complete 16 frame double nuc

Includes double base, top, bottom, two extra supers and 16 frames with foundation **\$149**

Includes solid bottom, ventilated inner cover with insulation, entrance reducer, telescoping outer cover with metal cover, frames with foundation

**Close Out
Special**

Ventilated Inner Cover 25.00

Inner cover with great ventilation and insulation for year round use. Makes it easier for bees to regulate the temperature and evaporate moisture. Includes upper entrance and double screens on vent holes to keep out robbers and small hive beetles. Removable 2 inches of insulation included for winter use.

Division Board feeders (1 gallon) 8.00

Improved version with lined sides includes cross supports to avoid bulging when full. Includes wooden floats.

Telescoping cover with metal top 25.00

Queen excluder (metal bound) 10 frame 10.00

Screened Bottom Board 10 frame 25.00

Bottom Board (solid) 10 frame 18.00

Apiary health checkup & tutoring available

Not sure what is going on with your bees? Confused by all the contradictory information you hear? Consider some tutoring or help assessing your bee's health. Don't wait until it's too late.

It's easy. Just pick from the list of topics below and call for an appointment. Visit minimum is 1 hour for \$100 with each additional hour \$50 for a maximum of 4 hours per visit. Maximum four hour visit is \$250. Fees based on travel distance of 30 miles from Braidwood. Further distance will be additional cost. Any supplies or equipment supplied will be additional. Maximum of 3 people assisted per visit to keep each session personalized for your individual needs.
